# SHANNONS AUCTIONS ONLINE BIDDING

## **BID FROM THE COMFORT OF YOUR OWN HOME!**

Since 1981 Shannons Auctions has been Australia's leading auction house for veteran, vintage and collectible vehicles, as well as classic motorcycles and automotive memorabilia.

Now with the introduction of online bidding, there is a new option for those not able to join the hundreds of regular attendees at the auctions. Shannons Online Bidding allows people to watch a live stream of the auction and place bids online, in real time on all auction lots. Absentee and telephone bidding will continue to be available, however the online bidding feature allows enthusiasts to bid from the comfort of their own home from anywhere in Australia or overseas.

# SHANNONS AUCTIONS ONLINE BIDDING

## How does Shannons Online Bidding work?

To participate in online bidding you must first register at **shannons.com.au/onlinebidding**. Once approved, you will be able to login and view a live stream of the auction and place bids.

**Please note: Registration for online bidding closes 24 hours prior to the auction.**

## What do you need to access Shannons Online Bidding?

As a minimum you will require an ADSL2 Broadband connection and Flash enabled browsing on your computer. If you don't have a Flash Player installed you can download a free copy at <http://get.adobe.com/flashplayer/>

## What are the features of the Shannons Online Bidding website?

- A list of all auction lots
- Live streaming video and audio of the auction
- Featured lot of the item being auctioned
- Prominent bid button/asking bid with live bid history

## How do I bid online?

Once the auction has started, the auctioneer will call for bids. All bids are based on the auctioneer's direction. All onsite, telephone and online bids will appear in the bidding history in real time. The bid increments are determined by the auctioneer and appear on the asking bid section. To bid at the asking bid value, click the bid button. The item will be SOLD when the auctioneer confirms SOLD at the conclusion of bidding on the lot.

## Is there a delay with online bidding?

Delays are kept to absolute minimum. The service has an average delay of a third of a second, so bid promptly to avoid disappointment.

## What do I do if my internet connection goes down?

Simply log back into the Shannons Online Bidding website [shannons.com.au/onlinebidding](http://shannons.com.au/onlinebidding) and re-enter your email address and password.

Technical support available at [shannons.com.au/onlinebidding](http://shannons.com.au/onlinebidding).
